

**BOULDER POLICE DEPARTMENT
DETECTIVE DIVISION**

MEMORANDUM

TO: Andy Horita
FROM: Sergeant Trujillo
DATE: June 13, 2008
REF: DNA evidence

The DNA extract that you have requested for further testing has been located and pulled. They are available for checkout from the Property and Evidence Section. The requested two extract samples are contained with a sealed DNA packet that contains multiple samples from various subjects. The packet was not opened to recover the two specific DNA extracts you requested. This memorandum will explain which item number corresponds with the with requested DNA extract.

<u>BPD item number</u>	<u>CBI number</u>	<u>Item description</u>
62TET	14L	DNA extract from right hand fingernail clipping
63TET	14M	DNA extract from left hand fingernail clipping
